

WOMEN MINISTRY

Our women ministry ministers to women in prayers, fellowship, and word. It is a time of refreshing for so many women. We meet to fellowship and encourage one another. In addition, we gather to learn how to be women that God can teach, use effectively in the ministry. We are always looking forward for our yearly Women Conference in 1st weekend in March.

The women ministry was born out of the desire of the Pastor's wife seeking for a way to reach out to the women in the church. As she was praying and fasting one day, the Holy Spirit ministered to her and gave her a date to hold a women conference. She questioned God in a humble way and asked, "God you know that we are living in a present day where most of the women work outside the home. What if the date you have given me is a weekday where most of the women work 9 to 5, how can they attend a church conference? Besides our church is a young church founded in 1999."

The Lord spoke her and said, "you were concerned that you do not know what to do with the women of the church, but now I have told you what to do and have given you the date, therefore go with it."

Therefore, after the encounter with God during prayer, Sister Mary got up on her knees with the date, which was given to her while praying. She looked it up in that year's calendar and found that the date fell on a weekend - Saturday precisely. The date was March 4, 2006. So was the birth of the Women ministry and our yearly conference at Christ the King Christian Center, Baton Rouge, Louisiana.

We meet regularly on the 1st Saturday of every month to fellowship and our yearly conference, takes place always at the 1st Weekend in March.

Through this arm of the church, we have reached out to so many women, marriages are strengthened, families are restored, and the church is growing. Some have experienced healing and the broken hearted strengthened. To God be all the glory. Amen!
